Our Universe Revealed: Dr. Vini Placco

Tue Oct 27, 2015 7:00PM - 8:00PM • Calendars: Special Lectures and Events

*Our Universe Revealed: Physics for Everyone Lecture Series*

The stuff we are made of: how do we determine the chemical elements in stars and the Universe?

Dr. Vini Placco  
University of Notre Dame

7 pm in Jordan Hall of Science

*This series is open to all and aims to provide an avenue to access current physics research and an opportunity to expand their understanding of the Universe around us.*
